

BEACON HILL NURSERY SCHOOL

2023-2024 Annual Gratitude Report

BEACON HILL
NURSERY SCHOOL

Our mission is to create a nurturing community that instills a lifelong love of learning in its students.

Guided by exceptional educators, we value play as purposeful and cherish children's innate curiosity.

Dear BHNS Community,

As we look back on the 2023-2024 school year, I could not be more grateful for the generosity and partnership of our community. Thanks to each and every one of you for being part of our BHNS family and for contributing in endless ways to the warm and joyful spirit of our school.

BHNS annual giving reached outstanding heights last year, both in participation levels across constituencies and in dollars raised. Through both streams of giving to our Annual Fund, kicked off with Joy on Joy Street and followed by the Auction Gala, every gift allowed us to maintain the school's commitment to priorities such as financial aid, program materials, and faculty and staff development. Your extraordinary support ensured that our children and teachers had everything they needed to sustain the magic of the BHNS experience, and it enabled us to make that experience accessible to more children. In addition, your active volunteerism and creative efforts were invaluable to our community, sustaining and expanding our connections in remarkable and meaningful ways. But perhaps the greatest gift and inspiration to all of us is the joy and exuberance of our children, a constant reminder of why we all care so much about and invest so deeply in our community.

Along with my heartfelt gratitude to all of our families, past and present, and our faithful community friends (especially those who continue to support our special endowment funds in memory of Alexander W. Kemp and Michael R. Coppola), I want to give a special thanks to four groups of community members who were essential to our success at BHNS last year. Our faculty and staff worked tirelessly to sustain joyful classrooms and to ensure the smooth and seamless operation of every aspect of our school. Our PTP leadership and Class Parents played a vital role in facilitating community building, both at the level of the classroom and the entire school. Our Development Co-Chairs, Kristi Mahoney and Mimi Eger, and our Auction Co-Chairs, Chelsea O'Brien and Katie Norris, with the help of Melissa Kent and their talented and dedicated committees, led our 2023-2024 development efforts to huge success. Last, but hardly least, we are indebted to last year's board, chaired by Kate Lakin, whose steadfast governance and fiscal leadership continue to keep the school in such strong standing. Partnering with them was an honor, as is working with this year's board to build upon that success.

As we go into our 69th year at BHNS, we remain so grateful for your support. Second only to the talent, caring and dedication of our teachers, it is the strength of our community that is the essential hallmark of BHNS. Thank you for all of the ways in which you give to support and sustain our school. It truly means so much.

With deepest thanks and appreciation,

Debra M. Sullivan
Executive Director

Dear BHNS Community,

Every year at this time, I am reminded of what a special place BHNS is and how lucky I feel that the magic of the BHNS classroom has been part of our children's lives. Within BHNS, it is so special to watch the imaginations of the children running free, their friends bringing such joy each day, and their teachers guiding them all in such a thoughtful, creative, and loving way. BHNS creates an amazingly nurturing space for our children to explore and grow and to cultivate a lifelong love of learning. I feel so grateful watching my own two children, now both BHNS alums, build on this foundation as they continue on in school and my husband, Tom, and I eagerly await our return to BHNS next year when our son will begin his own journey in the Orange Room.

All of this is possible because of our engaged community. I am so grateful for the commitment of our faculty, staff, and administrators, all of whom come to work each day with our children's best interests at heart. With tremendous dedication and exceptional talent, our teachers have gone above and beyond in the classroom, seamlessly delivering an incredible program to our children. I am also so grateful for each of you and our larger circle - not only our generous and engaged current parents, but also our ever-growing group of past parents, grandparents, and community friends.

As Board Chair, I am in awe of our school's success last year, the school's tireless administrative team, and the endless efforts and thoughtful leadership of our Director, Deb Sullivan. At the helm of BHNS, Deb's vision, dedication, and responsiveness have helped the school continue to grow and thrive.

Finally, thank YOU for your partnership and support of BHNS. Thank you to the volunteers and class parents who have devoted countless hours to planning community events and initiatives. Thank you to our board members for their dedication and service. Thank you for giving generously to the Annual Fund, allowing us to achieve our BHNS mission at the highest level. Each of us plays a vital part in this incredibly special community, and I thank you for all that you do.

Best,
Kate Lakin
Board Chair

TWO PILLARS OF BHNS ANNUAL GIVING

Like most independent schools, we rely on fundraising to bridge the gap between tuition and annual operating expenses. Your support through annual giving allows our classroom sizes to remain small with low student-teacher ratios, empowers us to sustain our talented teaching staff with meaningful professional development opportunities, supports our robust financial aid program, provides enriching materials for our classrooms and playscapes, and enables us to continue to operate in our amazing urban location.

There are two major vehicles for Annual Giving each year at BHNS: the **Joy on Joy Street Annual Fund Drive** and the **BHNS Auction Gala**.

Our goal as a school is to make annual giving feel good and therefore, a commitment worth making. Any and all support is valued, and no gift is too small.

JOY ON JOY STREET ANNUAL FUND DRIVE

Annual giving kicks off each year with our Joy on Joy Street Annual Fund Drive. During Giving Week in the Fall, we strive for 100% participation of our current parents, led by 100% participation of our Board and Faculty & Staff. We are also so grateful for the participation of alumni, grandparents, and other friends who join us in that community wide effort each year to support annual giving priorities.

Our community's commitment and generosity in the 2023-2024 Joy on Joy Street Annual Fund Drive raised **\$254,000** building a critical foundation of annual giving to support our students and teachers. Donors are listed by giving level, with Roots & Wings Leadership levels starting at \$3,500.

Thank you for your participation and support of the Joy on Joy Street Annual Fund Drive!

BHNS AUCTION GALA

The second major fundraising initiative each year is our Auction Gala in the Spring. Through the efforts of our dedicated co-chairs and committee volunteers, our 2024 'More than a Little' Auction Gala held at Four Seasons Boston was such a special event. Thanks to all who attended, creating the fun and energetic atmosphere that makes our Gala the biggest community-building event of the school year.

Also critical to supporting annual giving priorities, the phenomenal success of our Auction means so much for our school. Auction giving totaled **\$244,000**. Donors are listed in this report who made a monetary contribution to our Auction Gala, spanning from raffle tickets to sponsorships.

Thank you for your participation and support of our 2024 Auction Gala!

2023-2024 Annual Giving Total: **\$498,000**

THANK YOU!

HOW YOUR GIFT MAKES AN IMPACT

Every toddler and preschool child participated in weekly music classes.

Current Family Participation

All of our amazing teachers were able to hone their craft through meaningful professional development opportunities.

Faculty Participation

Every JK child participated in weekly ukulele classes with enough ukuleles for each child to take home to practice.

Board Participation

Every child participated in weekly yoga classes.

Alumni Participation

This report reflects a 105% increase in alumni participation in giving from the previous year.

Children in our 10 classrooms explored and created with art supplies, building tools, and sensory materials.

Grandparents & Community Friends

We are honored to have the support of grandparents and community friends whose participation in BHNS annual giving **more than doubled** from the previous year.

Children joyfully played on two beautiful playscapes with sand toys, bikes, blocks, water play materials, chalk, and more.

2023-2024 JOY ON JOY STREET ANNUAL FUND DRIVE

BHNS relies on the generosity of donors to bridge the gap between basic school operations and exceptional educational quality. Participation in the Joy on Joy Street Annual Fund Drive allows us to invest in high-quality professional development for our teachers, a healthy financial aid program, and enriching materials for classrooms and playscapes for our children. Those who make a minimum contribution to the Joy on Joy Street Annual Fund Drive of \$3,500 become a part of our Roots & Wings Leadership Circle and are welcomed to a special gratitude event in the spring.

Thank you for your support!

ROOTS & WINGS LEADERSHIP CIRCLE CELEBRATION

2024 "MORE THAN A LITTLE" AUCTION GALA

Our annual Auction Gala continues to be the absolute highlight of our school year and remains our favorite night to come together as a whole community to celebrate BHNS!

Our 2024 Auction Gala was held at Four Seasons Boston and inspired by the heartwarming story by M.H. Clark, *More than a Little*. We are so honored to report that we raised **\$244,000** for BHNS through the auction.

Thank you to all who joined us in celebrating our special school by attending the event, sponsoring the event, donating a wide array of items, and purchasing raffle tickets, silent items, and live items. With such generous sponsorships underwriting the cost of the event, we were able to extend complimentary invitations to all our esteemed faculty and staff members, along with their guests. Special thanks to our Auction Co-Chairs, Chelsea O'Brien and Katie Norris, and our dedicated Auction Committee for the time you put into planning such a great event!

2024 "MORE THAN A LITTLE" AUCTION GALA: ITEM DONATIONS

An auction depends on the generosity of families and businesses that contribute a diverse array of items for guests to bid on. We extend our heartfelt gratitude to those whose in-kind donations have been vital to the success of our annual auction gala.

Your contributions—ranging from raffle prizes and silent auction treasures to live auction experiences and a prize basket for the "Race to 100" game—are essential in creating a dynamic and engaging event. Each donation not only enhances the attendee experience, but also drives participation and supports our school. Thank you again to our auction co-chairs and auction committee members whose efforts in contacting local businesses resulted in this comprehensive list of item offerings!

MICHAEL R. COPPOLA PROFESSIONAL DEVELOPMENT FUND

The Michael R. Coppola Professional Development Fund honors our late colleague, Mr. Michael, who had a passion for supporting children through the avenue of supporting teachers. We continue his legacy through this fund by offering our teachers unique and powerful opportunities for professional growth. Donors to Michael's Fund in the 2023-2024 school year contributed **\$8,000**, bringing the fund to a total of \$60,000 since its inception in January 2023. We thank all donors who have given to Michael's fund, supporting our teachers and continuing his legacy. We miss Michael every day and are so grateful for these funds which bring joy to our teachers just as he always did.

This summer, Ms. Caitlin, who teaches Spanish to our JK classes, utilized Michael's Fund to deepen her practice in Spanish instruction for young children. In her 10-day home stay in Costa Rica, she broadened her Spanish toolkit while being completely immersed in the language and culture through the Costa Rica Language Academy. She is already putting her new skills to use each week with our JK friends!

Last year's Michael R. Coppola Professional Development Fund grant sent two of our veteran teachers, Ms. Tracey and Ms. Lisa, to the 2023 NAEYC Conference in Nashville, TN.

ALUMNI PARTY ON THE PLAYScape!

Thank you to our alumni families who made our 2nd Annual Alumni Party on the Playscape a success! This year, thanks to Heidi Dooley and Kristi Mahoney for their planning efforts, this event has adopted its very own theme, "Camp BHNS"! Our hearts were full to reconnect with familiar faces while enjoying summertime favorites like yard games, crafting, and s'mores.

Save the dates! We hope our alumni families will kick off the summer with us at our 3rd Annual Alumni Party on the Playscape on May 31, 2025 from 3-5pm! We have also added an exciting alumni event to our calendar on March 2, 2025--the Alumni Skate Party at Warrior Ice Rink from 11am-12pm. See you there!
